

- 2. AEHESIS PE (2004-2005)
- The PE group proposed the six steps model at the Brussels PMG meeting (November 2004)
- The PMG group adopted the six steps model (London, January 2005)
- The PE group proposed a formulation of a specific questionnaire (January, 2005) and organised an exploratory survey (until March)

- 3. AEHESIS PE (September 2005)
- The PE group proposes to the AEHESIS partners the results of the 1st year survey and of the exploratory survey in order to precise the PE standard occupation profile in Europe
- A questionnaire will be distributed during this workshop. It includes:
- Biographic data: institution, country, sex, qualification, teaching

- Standard occupation: 3 definitions to classify
- Activities: 27 proposals to classify
- Generic competences: 30 proposals to classify
- Specific competences: 53 proposals to classify

- Methodology: For each of the proposals indicate your opinion on the scale 1 (least important) to 6 (most important): (tick one box only per line).

Thank you for attention
